SBA Economic Injury Loans Available *Business owners urged to apply*

FORT WORTH, TX -- Businesses in some Kansas and Oklahoma counties can now apply for low interest Economic Injury Disaster Loans from the U.S. Small Business Administration (SBA). These loans are available to help businesses meet normal operating expenses that cannot be met due to the effects of a disaster. Severe storms; including hail, high winds, lightning, excessive rain, flash flooding, and flooding that occurred June 3 – 16, 2005, caused many farmers and ranchers to experience reduced incomes which may have had an adverse economic effect on businesses depending upon these producers. Farmers and ranchers are not eligible for this loan program but may be eligible for disaster assistance through other Federal agencies. Businesses in the following counties are eligible to apply:

Kansas:

Butler	Ford	Harvey	Lyon	Riley	Stevens
Chase	Geary	Haskell	Marion	Rooks	Sumner
Clark	Gove	Hodgeman	Meade	Scott	Thomas
Cowley	Graham	Kearny	Morris	Sedgwick	Trego
Edwards	Grant	Kingman	Ness	Seward	Wabaunsee
Elk	Gray	Kiowa	Osage	Shawnee	
Ellis	Greenwood	Lane	Pottawatomie	Sheridan	
Finney	Hamilton	Logan	Reno	Stanton	

Oklahoma:

Beaver

To obtain an application or receive additional information, interested business owners may call the SBA toll-free at 1-800-366-6303 or TDD 817-267-4688 for the hearing impaired. The deadline for filing an application is **April 25, 2006.**

Due to the weather, many producers experienced crop losses and were not able to purchase goods and services at normal levels. Businesses that are dependent upon these producers may have experienced decreased sales, reduced gross profit margins, increased accounts receivable or difficulty in moving inventories at normal levels. The loan can help a business meet installments on long-term debt, accounts payable and overhead expenses that would have been met had the disaster not occurred. Refinancing of long-term debt, however, is not eligible under this program. The loan is designed for those businesses with substantial disaster-related needs and is intended to supplement monies the business owner can provide from other sources.

Loans may be approved for up to \$1,500,000 for actual disaster-related financial needs of the business. Interest rates are four percent (4%) and terms may extend to thirty (30) years, depending upon the repayment ability of the individual applicant. To qualify, businesses must be small by SBA's size standard. Businesses which can meet their financial needs through other sources are not eligible.
